

## MEMBERSHIP INFORMATION

The Tennessee Telecommunications Association is an industry trade organization formed for the purpose of promoting telecommunications service in Tennessee. The Association may engage only in activities that may be carried on by a corporation exempt from Federal Income Taxes under Section 501 (c) (6) of the Internal Revenue code or any section of any statute adopted in succession thereof.

Currently, the Association is comprised of twenty-five Tier I members employing approximately 10,000 people, serving 3.3 million access lines. Tier I members are companies owning or operating one or more exchanges in Tennessee on or before January 1, 1995. This membership category includes BellSouth, (15) fifteen commercial companies, and (9) nine cooperatives. The Association also includes seven Tier II members which are telecommunications companies authorized to do business in Tennessee under an approved franchise or certificate of convenience and necessity issued by the Tennessee Regulatory Authority. These members are engaged in telecommunications services such as inter-exchange carrier services, local exchange service, (but not eligible as Tier I members), cellular service, paging, internet services, personal communications service, and cable TV. Our Associate membership consists of approximately one hundred thirty (130) members with interest in common with the organization, which do business with Company members, (Tier I and Tier II). These members represent manufacturing concerns, sales organizations, CPAs, bankers, attorneys, consultants, lobbyists, engineering firms, publishers, and others. Tier I and Tier II members have voting privileges and Board representation as specified in our By-Laws. The Associate members also have a representative on the Board who was given voting privileges in 2002.

The cost of membership is specified by category. Tier I members pay annually based on a graduated rate based on company size. No company in the Tier I category will pay dues in excess of 15% of the Association's annual dues budget. Tier II members are charged \$1500, for the first year and \$3000 yearly thereafter. Associate member dues are \$400 per year. Association directories, LATA maps, and a monthly newsletter-Telecom Talk, are provided to all members.

The Tennessee Telecommunications Association's fiscal year is from January 1-December 31. If you wish membership in our organization, please fill in the enclosed application and submit along with your dues check or credit card information to the Association office at the following address:

Tennessee Telecommunications Association  
150 Fourth Avenue North, Suite 480  
Nashville, TN 37219

If you have any questions, or need additional information, please call us at 615-256-8005 or visit our website at: [www.tenntel.org](http://www.tenntel.org). We look forward to having you as a member!
